Services We Provide

We will help you to choose a loan which is suitable for your purposes.

Our Panel of Lenders

Our aggregator is National Finance Choice Pty Ltd ABN 95 156 544 464

The lenders named below are the six with whom we conduct the most business.

Australia and New Zealand Banking Group Ltd, Pepper Asset Finance Pty Ltd, Bank of Melbourne, Secure Funding Pty Ltd (Liberty Financial), Macquarie Leasing and Latitude Financial Services.

We Will Need Information from You

Under the NCCP Act, we are obliged to ensure that any loan or principal increase to a loan we help you to obtain or we help you to enter is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation;
- take reasonable steps to verify that financial situation.

We will assess credit as being unsuitable if at the time it is likely:

- you could not pay or could only pay with substantial hardship;
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information. It is therefore very important that the information you provide us is accurate.

We must provide you with a copy of our preliminary assessment of your application if you ask within 7 years of when we assist you. We will provide you with our assessment within 7 business days of your request if it is made within 2 years of us giving you a credit assistance quote. We will provide it within 21 business days if your request is received more than 2 years after we gave you a credit assistance quote. We are only required to give you a copy of the preliminary assessment if we give you credit assistance.

Fees Payable by You

You may need to pay the lender's application fee, valuation fee and other fees. We sometimes charge a fee for our services when you enter into a loan we have arranged for you. More details about the fees you must pay will be set out in a Credit Quote we will give you before a finance application is lodged. You may obtain from us information about how these fees and charges are worked out and a reasonable estimate of those fees.

Commissions Received by Us

Commission may be received by "NFAL" from the lenders who provide finance for you as our customer/s. These commissions are not payable by you. You may obtain from us information about a reasonable estimate of those commissions and how the commission is worked out.

Commissions Payable by Us

We source referrals from a broad range of sources. For example, we may pay fees to motor dealers, suppliers, real estate agents, or accountants for referring you to us. These referral fees are generally small amounts and accord with usual business practice. These are not fees payable by you. You may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.
